Important Information

- * EdCamp is a program concentrated into five days. Any absence from instruction or rehearsal is detrimental to the group and individual success of the EdCamp experience for the participant as well as the other participants. For this reason, we ask that parents not schedule appointments for participants and that participants not make plans (e.g. concerts) that conflict with the EdCamp schedule.
- * The teacher recommendation (for first year participants) is a confidential communication between the teacher and the Camp Director. For that reason it should be sent by the teacher directly to the Camp Director.
- * Punctuality is essential. Each participant should arrive each day by 8:50 a.m.
- * For the final performance, black t-shirts will be provided by EdCamp. Participants are required to wear black shoes, black socks or black hose, and black trousers (not shorts, capris, skirts, etc.).
- * Participants should consider their summer schedules before registering to avoid it being necessary to cancel. Supplies are ordered weeks before EdCamp begins. If circumstances make a participant unable to attend EdCamp, no refunds can be issued for cancellations after June 22.
- * Questions? Email the camp director at emtc@nep.net.

Summer Theatre Camp July 2019

The Annual Ed Lonzinski Memorial Middle and High School Theatre Camp (EdCamp)

July 15-19, 2019
at

Montrose Area High School
75 Meteor Way
Montrose PA

What is Theatre Camp?

It's an opportunity for middle and high school students (at least 10 years old and in 5th through 12th grade in the 2018-2019 school year) to attend a week-long camp with workshops and clinics led by professional performers and teachers in the art of comedy, drama, and musical theatre.

Who was Ed Lonzinski?

He was a local guy who attended Blue Ridge School District and Mansfield College. He was involved in various community theatres, participating in all areas of production. While directing for Greene High School in New York, Ed realized the value of educating students in the art of theatre, and strived to make it possible for his students to participate in theatre festivals offered in more urban regions. It was the desire of Ed, who was to serve on the Board of Directors of EMTC, to offer students high-level experiences in the art. Through the generosity of his parents, Dolly and Mike, a fund was established to create a living memorial to this extremely committed and talented young man and EdCamp was born.
